

# HSU (Herkunftssprachlicher Unterricht)

## Language of Origin Classes

### What is HSU?

HSU is a special offer for students with elementary language skills in their languages of origin.

- additional to school classes
- usually in the afternoon
- at least 3 lessons per week
- from grade 1 – 10

### Certificate

Students get a certificate from the teacher of their language of origin.

### Language exam

If they have attended the classes regularly, students take an exam in their language of origin at the end of school.

**Important:** A good grade (1 or 2) in the language exam can compensate for a bad grade (5) in a foreign language, thus making it possible for students to graduate (after grade 9/10)!

### Application

Application is voluntary.

You can get the HSU application form:

- at the school secretary's office
- at the Community Integration Center Remscheid
- at [www.remscheid.de/ki](http://www.remscheid.de/ki)

Submit the filled-in form at the school secretary's office. The school is then going to inform you when and where your child's language of origin classes are taking place.

**After the application, your child has to take language of origin classes for at least one year.**

Currently, there are classes in the following languages:

**Albanian**

**Arabic**

**Italian**

**Kurmanji (Kurdish)**

**ENGLISCH**

**Polish**

**Portuguese**

**Russian**

**Serbian**

**Spanish**

**Turkish**

Your family's language is not on the list?

Please fill in this form for your child.

We will then check which courses can be organized in Remscheid.
